Name: Caitlin Geaghan
Email: cgeaghan@amplifyct.org
Phone: 413-335-4495
Message: Good morning,

I hope your summer is treating you well so far!

My name is Caitlin Geaghan, and I work for Amplify, the Regional Behavioral Health Action Organization for the North Central CT Region. Amplify is a non-profit organization that focuses on leading and uniting community leaders, residents, and partners with the behavioral health resources and prevention strategies they need the most.

My role at Amplify is Program Manager for special projects, and currently I am working on a program surrounding Adult Alcohol Misuse. This program is focusing on the towns of Bolton, East Hartford, and East Windsor. You may be familiar with my co-worker, Brittany Whiteley who is working in these same towns in relation to Youth Alcohol Misuse. My goal for this project is to connect resources to those in the community, provide education and training about the risks associated with alcohol misuse among adults, foster partnerships between groups not typically connected and build capacity for prevention of Adult Alcohol Misuse in these three towns.

If you or a colleague would be interested in connecting with me over the next few weeks or month about how you or your organization could help me understand the landscape of Adult Alcohol Misuse in your town, please let me know. If you would like to receive periodic information from me surrounding this topic, you can also let me know if that is what would work best for you. I do anticipate having trainings over the next year that I would love to invite you to!

I am very excited to understand and help these communities in any way that I can. My schedule is flexible, so please let me know what days or times work best for you, and I can meet over Zoom or in-person, whatever works best!

I look forward to hearing from you soon.

Best,
Caitlin Geaghan
